

## **Summer Pro Bono Program**

Philadelphia Volunteers for the Indigent Program (Philadelphia VIP) is dedicated to providing low-income individuals equal access to the legal system in civil matters by referring them to volunteer lawyers, paralegals, and others who provide legal services free of charge. We actively recruit volunteer attorneys and paralegals through various training events during the year.

Our Summer Pro Bono Program is a great way to expose young associate to pro bono work and **inspire a new generation of attorneys to perform public service.**

### Summer Pro Bono Program: At a Glance

- Training on current issues affecting the low-income populations of Philadelphia

- Direct client interaction through individual cases or intake clinics

Summer Pro Bono Program aims to involve young associates in pro bono work immediately. We hope to show them the importance of pro bono work in their future careers and ensure that they regularly participate in serving those most in need in our city. We make this participation easier by connecting young associates with legal services organizations in the city, and by inviting a wide range of legal service providers to provide training for every participant.
